

Horticulture Library Exchange

This bookshelf is for everyone who has an interest in plants.

If you have any gardening books and/or magazines that are in good condition and you need to dispose of them. Don't throw them away

Exchange Them

Leave any unwanted books and/or magazines on the top of the bookshelf. If you see any materials that you would like, please take them. You don't have to leave materials to get materials.

Exchanging old books and magazines keeps these items out of the landfill and is a good way to pass on valuable information.
