4-H

FULL  
STEAM  
AHEAD

Bladen County 4-H will offer FREE STEAM ( Science, Technology, Engineering, Arts, and Mathematics) activities for youth grades K-12. We will offer opportunities in Chemistry, Animal Science, Coding, Robotics, Engineering and more!

In partnership with Bladen County Parks and Recreation and the Bladen County School's Summer Feeding Program, 4-H will be offering FREE STEAM activities on these dates and locations during the summer of 2019. *\*\*\*Dates and locations may change due to lack of daily numbers in the partnering programs. An up to date schedule will be communicated via our Bladen County Facebook and the Bladen County 4-H webpage each week.*
